Internship offer

tissellistudio is looking for interns in architecture and design.

Tissellistudioarchitetti was founded in Cesena (Italy) in 1998. The studio specializes mainly in residential architecture and interior design and has been internationally recognized for its work. We are committed to contemporary architecture, applying professional experience for every detail of each project.

The biggest advantage of a small studio includes the opportunity to be personally involved in all stages of the building process, from the design concept, through construction, to its completion. Elements which are essential for understanding all the processes in architecture.

We offer extending of knowledge about architecture and design process by working on the recent projects in our team under the supervision of the appointed mentor.

Internship program in our studio is opened during whole year and it can last from 3 up to 6 months with eventual possibility of extension, if both sides interested.

If you need some additional information do not hesitate to contact us in any case.

We are waiting for your CV and portfolio!
